

ESD WORKING LAMP

DESCRIPTION

Lamp for professional activity, articulated arm to prevent eye strain
 Supplied with grounding cable
 Anti-reflection
 Dimensions : 610 x 110 mm
 Maximum height : +/- 950 mm
 Fixation : table clamp
 Color : black
 Guarantee : 2 years
 In compliance with the norm IEC 61340

TECHNICAL CHARACTERISTICS

LED lamp : 3 x 14 W - 6000K

REFERENCE	DESIGNATION
06-0115-01560	ESD working lamp

ESD MAGNIFYING LAMP Ø125 mm

DESCRIPTION

Lamp for professional activity, articulated arm
 Supplied with grounding cable
 Maximum height : +/- 950 mm
 Ø of the lens : 125mm
 3 diopters lens : magnification of 175%
 Lighting : 14W, 6000K
 Fixation : table clamp
 Color : black
 Guarantee : 2 years
 In compliance with the norm : IEC 61340

TECHNICAL CHARACTERISTICS

LED light : 60 Led , 14 W - 6000K
